¹ Of which the Group has previously repurchased and holds SEK 27,500,000 on balance on the date hereof.

Purpose of the Tender Offer

The purpose of the Tender Offer is to pro-actively manage the Issuer's upcoming debt maturity profile in advance of its final maturity date.

Priority in New Notes

The Issuer will, in connection with the allocation of the New Notes, consider, among other factors, whether or not the relevant investor seeking an allocation of the New Notes has, prior to such allocation, validly tendered Notes pursuant to the Tender Offer and, if so, the aggregate nominal amount of Notes tendered by such investor, subject to the investor being an eligible buyer of the New Notes given the target market for the New Notes in accordance with Directive 2014/65/EU (MiFID II). In the event that a Noteholder validly tenders Notes pursuant to the Tender Offer, such Notes will remain subject to the conditions of the Tender Offer as set out in this Tender Information Document irrespective of whether that Noteholder receives all, part or none of any allocation of New Notes for which it has applied.

Noteholders are advised that (i) no assurance is given, in any event, that a particular Noteholder will be allocated New Notes up to or in excess of the allocation for which it has applied; (ii) priority allocation preferences granted in connection with valid tenders of Notes may be subject to pro rata scaling; and (iii) in connection with the New Notes, the Issuer may decide in its sole discretion, not to issue any New Notes, as a result of which Noteholders who have requested a priority allocation preference will receive no such allocation and Noteholders who make any separate application will receive no New Notes. The Issuer has sole discretion to modify or disregard priority allocation preferences in determining allocations with respect to any New Notes issued.

New Financing Conditions

The Issuer's acceptance of Notes validly tendered for purchase pursuant to the Tender Offer is conditional upon, in the sole and absolute discretion and determination of the Issuer, (i) the terms and conditions of the New Notes being satisfactory to the Issuer, including, but not limited to, as to the price and volume of the New Notes and (ii) the successful outcome of the issuance of New Notes (including the receipt of funds by the Issuer), which will enable the Issuer to finance the Purchase Price and Accrued Interest of the total amount of Notes validly tendered and accepted for purchase pursuant to the Tender Offer (together "**New Financing Conditions**").

For the avoidance of doubt, the Issuer is not under any obligation to accept any tender of Notes for purchase pursuant to the Tender Offer. Any tender of Notes for purchase may be rejected by the Issuer for any reason, and the Issuer is not under any obligation to Noteholders to furnish any reason or justification for refusing to accept a tender of Notes for purchase.

The Issuer's acceptance of Notes validly tendered in accordance with the terms and conditions of the Tender Offer will be irrevocable, but always subject to the satisfaction of the New Financing Conditions.

Early redemption of the Notes

In case of an issue of New Notes in volumes satisfactory for such purpose, the Issuer, in its own discretion, contemplates to exercise its right to make a voluntary early redemption of the Notes not being tendered in the Tender Offer, in accordance with the terms and conditions in respect of the Notes. The Notes will in such an early redemption event be redeemed at a price equal to 100.00 per cent of the nominal amount together with any accrued and unpaid interest.

The Dealer Manager acting as settlement agent

Settlement of the transactions pursuant to the Tender Offer will occur as a secondary trade via the Dealer Manager. The Dealer Manager is acting solely as settlement agent on behalf of the Issuer, and any trades booked as part of the settlement of the Tender Offer shall be understood as being between the relevant Noteholders and the Issuer, with relevant risks and responsibilities to carry out such settlement being between the Noteholders and the Issuer. Noteholders should note that the Dealer Manager will not be bound to make any payments to Noteholders, and any payments to Noteholders by the Dealer Manager on behalf of the Issuer will be subject to the aggregate amount of all amounts payable by the Issuer having been identified as being received by the Dealer Manager.
